

# Go-Battery brought to you by OxyGO

Whether it's for your CPAP machine or you just want a high-quality battery to charge all your gear; Go-Battery has you covered.

- Specifically made to understand the constant voltage fluctuations of CPAP machines
- Easy set modes for 12v, 16.5v, 20v and 24v machines
- Wireless charging for everyday use
- Sleek design and 20% smaller than comparable CPAP batteries
- Use for laptops, cameras, drones, phones, CPAP machines and other electronics
- High grip surface makes Go-Battery the perfect active power source
- Warranty – 1 year for defects
- 2.5 hours to recharge battery with wall charger
- Able to fly with in carry on luggage
